

PORTRAIT AND FIGURE
 PAINTING WORKSHOP
 WITH STEPHEN EARLY

MARCH 1-5, 2010

CHARLOTTE, NC

This 5-day workshop will focus on the fundamental principles essential to achieve a convincing three-dimensional representation of the human figure in oils. These principles will be analyzed in a logical sequence beginning with gesture and continuing through to the study of color and its effect on the figure and its environment. The workshop will be highlighted with demonstrations of these methods and techniques accompanied by Q&A sessions. The format will accommodate students of all levels including past participants of Early's previous workshops. Renowned Artist Stephen Early teaches figure drawing and painting at Studio Incamminati in Philadelphia and is a teaching associate of Nelson Shanks at workshops around the country.
