

PAINTING WORKSHOP  
WITH RAY ROBERTS AND  
PEGGI KROLL-ROBERTS

MAY 10-14, 2010

CHARLOTTE, NC

*Three days of this workshop will be led by Peggi Kroll-Roberts and will focus on the figure and on improving drawing skills and seeing values and colors correctly. Daily demonstrations will cover design and technique and emphasize big shapes and establishing their relationships correctly, allowing the individual artist to express themselves in a personal way. Ray Roberts's two days will focus on landscapes with a comprehensive approach to painting in general – covering the essentials of composition, drawing, values and approach. Through individual attention, artists will be able to focus on areas needing improvement and how to develop those skills. Peggi and Ray have over a combined 30 years experience in teaching workshops and have taught at many of the top representational art schools across the country.*
